IV. BUSINESS

A. Approval of Minutes

1. October 11, 2022 (att)

MOTION by Commissioner Kucharski, **SECONDED** by Commissioner Chimenti to approve the October 11, 2022, Minutes. **MOTION CARRIED UNANIMOUSLY.**

B. Review and action regarding Sign Plan, jovie childcare reimagined, Alan Day, Applicant, Peter Shore, Owner, 250 South Main Street (att)

Alan Day of jovie childcare reimagined, 250 South Main Street, was present. The franchisor has changed the name of the business. The color has been provided by the franchisor. The double-sided sign replaces the existing sign for College Nannies + Tutors.

Director LaFond noted that staff review indicates full compliance with the Sign Code.

MOTION by Commissioner Gattoni, **SECONDED** by Commissioner Kucharski to approve Sign Plan, jovie childcare reimagined, Alan Day Applicant, Peter Shore, Owner, 250 South Main Street. **MOTION CARRIED UNANIMOUSLY.**

C. Review and action regarding Shed, Anthony Behrens, 221 West Alta Loma Circle (att)

Anthony Behrens, 221 West Alta Loma Circle, presented plans for a steel shed which will be placed in the back corner of the back yard on a cement footing.

Director LaFond noted the proposal is in full compliance in the R-1 District. Approval is recommended subject to the applicant obtaining a building permit prior to construction.

MOTION by Commissioner Dyer, **SECONDED** by Commissioner Gattoni to approve Shed, Anthony Behrens, 221 West Alta Loma Circle. **MOTION CARRIED UNANIMOUSLY.**

D. Review and action regarding Modification of Fence Requirement for Pool, Dale Borowiak, 400 Susan Lane (att)

The applicant was not present.

E. Review and action regarding Request from Daily Taco + Cantina, Jesse Daily, 105 West Freistadt Road, for Extension of October 31, 2022 Deadline to Remove Temporary Tent Until May, 2023 (att)

Jesse Daily and Matthew Buerosse, owners of Daily Taco + Cantina, 105 West Freistadt

Road, were present requesting an extension of the October 31, 2022 deadline to remove temporary tent until May, 2023. Mr. Daily noted several holiday parties are scheduled and the tent will help with capacity. The tent will be taken down by May and replaced with a semi-permanent structure, which could be moved to another location.

Chairman Mobley noted that there was a motion made at the October 11, 2022, meeting to grant the request. It deadlocked with a 3-3 vote.

MOTION by Commissioner Gengler, **SECONDED** by Commissioner Chimenti to approve Request from Daily Taco + Cantina, Jesse Daily, 105 West Freistadt Road, for Extension of October 31, 2022 Deadline to Remove Temporary Tent Until May, 2023.

Commissioner Gattoni was not present at the October 11, 2022, meeting and asked to hear the thoughts of other Commissioners. Commissioner Chimenti wants to make sure that the Village is moving in the right direction by helping businesses succeed. Commissioner Dyer noted the tent was intended to be a temporary structure. Commissioner Kucharski noted there is an ordinance in Thiensville that states tents are intended to be temporary. If approved, this will be the third time the Village would permit the tent to remain. At some point, the Village must get back to doing what the ordinance permits. Commissioner Hershberger favors allowing the tent, noting a deadline can be set. Chairman Mobley supports the business but is not convinced the tent makes much difference financially and expressed concern regarding the safety of heaters in tents. Commissioner Gengler noted the tent is not unsightly and adds energy to the corner. Commissioner Gattoni is opposed to providing another extension, stating it has already been extended several times and it is likely there will be requests for additional extensions.

Mr. Daily noted the tent will be removed by May and Daily Taco will at that time have a proposal for a semi-permanent structure. Commissioner Gattoni noted he supported the prior extension because it was supposed to be the final request. Mr. Buerosse added the situation has changed since the last request for an extension. There will not be a request for an additional extension after May 1, 2023.

Ayes: Commissioners Chimenti, Gengler and Hershberger

Naes: Commissioners Dyer, Kucharski, Gattoni and Chairman Mobley

MOTION FAILED.

Mr. Daily inquired about the next step. Chairman Mobley noted the tent extension was not approved and the tent must come down.

V. STAFF REPORT

Hi, I am trying to get an exact answer, I know it is over 1k lbs but not sure if they have a per sq ft or total weight. They have all been certified as a safety cover and meet all safety regulations. We will not use the autocover in the winter, there is a separate safety/ winter cover that would be used. Fiberglass pools generally are lowered for the winter. There is a chance we would be coming by later today, is anyone available if we come, I will let you know if we do.
